IMPORTANT NOTIFICATION:

Section 30-2-50 of the Code of Laws of the State of South Carolina provides that no person or private entity shall knowingly obtain or use any personal information obtained from a public body for commercial solicitation directed to a person in this state. The State Fiscal Accountability Authority, as a public entity, gives notice to you, as a requestor of records from this agency, that obtaining or using these public records for commercial solicitation is prohibited. Any person who knowingly uses public records for commercial solicitation is guilty of a misdemeanor and, upon conviction, must be fined an amount not to exceed five hundred dollars or imprisoned for a term not to exceed one year, or both. Please see S.C. Code of Laws Section 30-2-10, et. seq. for full text of Family Privacy Protection Act.

AUTO LIABILITY CLAIMS NOTICE:

Pursuant to Section 1-11-147 the Insurance Reserve Fund (IRF) reinsures 100% of its automobile liability insurance claims with a private insurance carrier via a competitively competed contract, meaning that in exchange for a contractually set amount, the private insurance carrier handles all claims, makes all decisions and issues and issues all payments from their own funds. The IRF maintains only statistical data as provided by the contractor in accordance with the contract and does not maintain a claim file.
