AUTO LIABILITY CLAIMS NOTICE:

Pursuant to Section 1-11-147 the Insurance Reserve Fund (IRF) reinsures 100% of its automobile liability insurance claims with a private insurance carrier via a competitively competed contract, meaning that in exchange for a contractually set amount, the private insurance carrier handles all claims, makes all decisions and issues and issues all payments from their own funds. The IRF maintains only statistical data as provided by the contractor in accordance with the contract and does not maintain a claim file.
